

CAPE COD BED & BREAKFAST

UNITARIAN CHURCH OF BARNSTABLE Barnstable, Massachusetts

Come to beautiful Cape Cod! Stay in private UU homes close to beaches, historical places, golf courses, bicycle trails.

Members of our church provide Bed & Breakfast facilities in lovely private homes over a wide area of picturesque CAPE COD year round. All proceeds benefit the church. We offer a broad spectrum of accommodations featuring private or shared baths, full or continental breakfasts, for the whole family or just for adults.

Your thoughtful hosts can suggest some of the best activities the Cape has to offer and some will provide guiding if you wish.

Pristine beaches beckon you to relax and swim & some hosts will provide you with bikes or canoes...ponds, woodlands for birding and hiking and a myriad of great golf courses are at your doorstep. From English folk dancing to antiquing or old-fashioned concerts on the village green...Cape Cod has something for everyone. We will provide specially planned church-wide activities for whole groups, if desired.
