Based on the acclaimed book by ecologist and cancer survivor Sandra Steingraber, Ph.D., *Living Downstream* is an eloquent and cinematic feature-length documentary. This poetic 60-minute film follows Sandra during one pivotal year as she travels across North America, working to break the silence about cancer and its environmental links.

The discussion after the film will be facilitated
by special guest Sue Phelan of GreenCAPE.

Join us with a dish to share for the potluck
(organic or sustainably grown, if possible).

Please contact JoAnn Kelley at jojolk@gis.net to
RSVP by Wednesday, January 25.
