**Join the Journey!**

**We are Co-Creators of this Ministry with Children and Youth**

*The Children and Youth Program at UCB is a Co-Creative Program, and we ask all parents and guardians to actively participate! It is our expectation that **parents will serve as Program Leaders at least once every other year** to support the program and to get to know our children, youth and families. We also encourage all families to become members of the UCB and support our program through pledging. Please see the list below and check off the ways you'd like to share your gifts, serve this community and shine in the Children and Youth Program this year.*
